DIOLCH!

What a year it’s been! It’s a real pleasure to be able to share some of Menter Caerdydd’s highlights.

Skimming across the statistics you’ll get a taste of some of Menter Caerdydd’s offer with its varied programme of clubs and sessions delivered across the city for children, young people, families and adults.

I’m so proud of the menu of activities and events that the committed staff of Menter Caerdydd co-ordinate, support and provide in partnership with tutors, casual staff, volunteers, partners and supporters, enriching the lives of the citizens of Cardiff throughout the year.

WHAT NEXT?

As we look towards 2020 and beyond, Menter Caerdydd will continue to play a central role in promoting and creating opportunities to expand the use of the Welsh language in our communities across the city. We will be building on, and expanding our networks to support The Welsh Government’s strategic priority of achieving a million Welsh speakers by 2050, and Cardiff Council’s Bilingual Cardiff strategy.

Manon Rees O’Brien, Chief Executive
